

## *Help Plan the Future of the Upper Grand River*

Everyone is invited (paddlers, anglers, elected officials, farmers, scientists, all watershed residents) to help plan the future of the Upper Grand River. Come learn about the river and develop plans for education, outreach, conservation, and restoration. A series of 5 workshops, January through May, will be held to develop a new Watershed Management Plan for our river. Please bring your ideas and priorities for the future.

The next meeting will be:

7-9 p.m., Wednesday March 31, 2010

Leslie High School Board Room

4141 Hull Road

Leslie, MI
